

Genesis Natural

Recommended use:
Moderate Traffic

Main Application:
Landscape, Pet

Colors:
Matte Olive Green, Matte Emerald,
Dead Blade, Emerald Green, Lime Green

A 2 inch pile, polyethylene monofilament with thatch construction designed specifically for landscape application to enhance recovery.

The Diamond Turf Difference:

- Blade height and material help achieve a 'natural grass' appearance
- Polyurethane coated backing provides astounding strength and durability
- Non-flammable, anti-acid yarn is resistant to chemical attack
- Lead Free: All of our products undergo rigorous testing to ensure safety and non-toxicity
- No harmful environmental effects

Yarn Characteristics

- Heat reflection
- Frost protection
- High Drainage Capacity
- Not water soluble
- Bacteria Resistant
